

NOTICE

THE OPEN MANIFESTO EXISTS.

It exists to define what art is and what art is not.

And how art should be made.

And what art is to be used for.

And how it can be discussed.

And what there is to be learnt.

And who it is for.

IT ACCEPTS.

Whatever is said today makes redundant what was said yesterday.

What was said ten years' ago may be suddenly as fresh as what will be said tomorrow morning.

THE OPEN MANIFESTO WILL NEVER CLOSE.

THE OPEN MANIFESTO NEEDS MORE.

All new doctrines, dogmas or principles are welcomed for consideration to be added to the Open Manifesto.

WARNINGS:

NO JOKERS.

NO TIME WASTERS.

MEAN WHAT YOU SAY EVEN IF YOU FALL SHORT OF WHAT YOU PROCLAIM.

PLEASE VISIT openmanifesto.com AND MAKE YOUR SUBMISSION.
