## THE BIRMINGHAM CAKE CIRCLE: 2014

The Birmingham Cake Circle will be constructed by Bill Drummond between 26 and 29 March 2014

The radius of the Circle is defined by the distance between Eastside Projects and Spaghetti Junction

The centre point of the Circle is Eastside Projects, 86 Heath Mill Lane, Birmingham

Drummond will be baking the cakes in the centre of the circle

Forty cakes will be baked to construct this Cake Circle

Each cake will take one hour to bake and ice

All forty of these cakes will be delivered by Bill Drummond and accepted by random strangers living or working on the circumference of The Birmingham Cake Circle

The construction of The Birmingham Cake Circle will include the following ingredients:

Goodwill, Confrontation, Trust, Suspicion and Crumbs

The Birmingham Cake Circle will exist as long as Birmingham stands

The Birmingham Cake Circle will be the fifth of the ten Cake Circles being constructed worldwide

Once all ten have been constructed they will be considered as one complete sculpture entitled Ten Cake Circles

**WARNING:** The Birmingham Cake Circle may take in some other parts of the West Midlands
