IDENTIFY

Why do we want to identify?
What is identification for?
When did you first identify with the other?
What was the other?
Did the other want to identify as you?
Should you never identify with the other...
If they don't want to identify with you?

Do Cats identify as Dogs?
Do Dogs identify as Wolves?
Do Wolves identify as Moons?
Do Moons identify as Suns?

Does Poly Styrene identify as you?

Or

Do you identify as Poly Styrene?
