Art in Art Galleries can only be viewed

**In order to see art
Venture out into the world...
See the Art that is everywhere
Art down in the gutter
Art up in the sky
Art in the forest
Art over there
art under here**

**Once an artist has deemed something art
Their art is no longer art
Their art is just something to view**

**It is up to you to see art
And not view art**

**Art hanging on a wall is dead art
Art hanging on a wall is art that has been murdered
An Artist is a person who murders Art**
